

### THE MEDICAL COLLEGE OF BENGAL.

Rules for the guidance of students seeking admission in the Civil Pupils' Department for the Session 1927-28.

1. Only those who intend to study for the M. B. Degree of the Calcutta University are admitted in this department and the admission is restricted to students (male and female) who are natives of, or whose parents are domiciled in Bengal, Assam, Central Provinces and the Manipur State.

2. All students from Bengal except those coming from the Dacca University and the Dacca Board of Intermediate and Secondary Education, must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in his office on or before the 25th May together with a fee of Rs. 4 which will not be refunded on any account.

Students of the Dacca University and the Dacca Board of Intermediate and Secondary Education should apply to the Secretary of the said Board and the University. The Assamese students should apply to the Inspector-General of Civil Hospitals of that Province. The candidates from Central Provinces and the Manipur State should apply, respectively, to the Director of Public Instruction, Central Provinces and the Manipur State.

3. The minimum preliminary qualification for admission is the First Class Pass Certificate of the I. Sc., Examination of the Calcutta University with Physics, Chemistry and Mathematics or any examination equivalent to it. But this rule may be relaxed in favour of the Muhammadan students and candidates having passed the said examination in the second division may be admitted provided they are otherwise considered suitable to make up the number allotted for the Muhammadan students. In assessing the claims of those eligible for admission special curriculum will be given the fullest consideration, viz., English, Mathematics, Physics, Chemistry and Botany.

4. The number of admission of new students will be limited to 100 including female students and those nominated by the authorities mentioned in Rule 2.

One-fourth of the total number to be admitted, if a suitable number of candidates be obtained, shall be Muhammadan. One candidate will be nominated by the Director of Public Instruction of Central Provinces; seven candidates including one female by the Inspector-General of Civil Hospitals, Assam; three candidates of the Dacca University and three candidates of the Dacca Board of Intermediate and Secondary Education by the respective authority, and one candidate will be nominated by the Manipur State. These candidates must possess the qualifications mentioned in Rule 3. These nominations must reach the Principal, Medical College, Calcutta, before the 10th June in each year, failing which the Principal will fill up the vacancies with local candidates. The authorities concerned will have no right to fill up any vacancy caused by the resignation of the candidates nominated by them or otherwise in the middle of the session.

Five seats shall be reserved annually for nomination by the Surgeon-General with the Government of Bengal, provided the candidates fulfil the requisite educational and physical qualifications. These nominations shall ordinarily be made after the Selection Committee have made their choice.

5. Female students will be admitted provided they possess the requisite preliminary qualifications and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

6. Selected candidates must pay the following fees within the time prescribed by the Principal failing which their names will be struck off the list of selected candidates.

MYMENSINGH, the 27th April 1927.

### THE MEDICAL COLLEGE OF BENGAL.

Rules for the guidance of students seeking admission in the Civil Pupils' Department for the Session 1927-28.

1. Only those who intend to study for the M. B. Degree of the Calcutta University are admitted in this department and the admission is restricted to students (male and female) who are natives of, or whose parents are domiciled in Bengal, Assam, Central Provinces and the Manipur State.

2. All students from Bengal except those coming from the Dacca University and the Dacca Board of Intermediate and Secondary Education, must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form available in his office on or before the 25th May together with a fee of Rs. 4 which will not be refunded on any account.

Students of the Dacca University and the Dacca Board of Intermediate and Secondary Education should apply to the Secretary of the said Board and the University. The Assamese students should apply to the Inspector-General of Civil Hospitals of that Province. The candidates from Central Provinces and the Manipur State should apply, respectively, to the Director of Public Instruction, Central Provinces and the Manipur State.

3. The minimum preliminary qualification for admission is the First Class Pass Certificate of the I. Sc., Examination of the Calcutta University with Physics, Chemistry and Mathematics or any examination equivalent to it. But this rule may be relaxed in favour of the Muhammadan students and candidates having passed the said examination in the second division may be admitted provided they are otherwise considered suitable to make up the number allotted for the Muhammadan students. In assessing the claims of those eligible for admission special curriculum will be given the fullest consideration, viz., English, Mathematics, Physics, Chemistry and Botany.

4. The number of admission of new students will be limited to 100 including female students and those nominated by the authorities mentioned in Rule 2.

One-fourth of the total number to be admitted, if a suitable number of candidates be obtained, shall be Muhammadan. One candidate will be nominated by the Director of Public Instruction of Central Provinces; seven candidates including one female by the Inspector-General of Civil Hospitals, Assam; three candidates of the Dacca University and three candidates of the Dacca Board of Intermediate and Secondary Education by the respective authority, and one candidate will be nominated by the Manipur State. These candidates must possess the qualifications mentioned in Rule 3. These nominations must reach the Principal, Medical College, Calcutta before the 10th June in each year, failing which the Principal will fill up the vacancies with local candidates. The authorities concerned will have no right to fill up any vacancy caused by the resignation of the candidates nominated by them or otherwise in the middle of the session.

Five seats shall be reserved annually for nomination by the Surgeon-General with the Government of Bengal, provided the candidates fulfil the requisite educational and physical qualifications. These nominations shall ordinarily be made after the Selection Committee have made their choice.

5. Female students will be admitted provided they possess the requisite preliminary qualifications and provided there is a vacancy in the Surnomoyee Hostel in which all female students must reside.

6. Selected candidates must pay the following fees within the time prescribed by the Principal failing which their names will be struck off the list of selected candidates.

	Ra.
Admission fee ...	25
Fee for the summer term ...	100
Athletic club fee ...	4
Total ...	129

7. The summer term commences on the 15th June and closes on the 19th September. The winter term opens on the 5th October and closes on the 31st March.

8. Forms of application for admission will be issued from the 15th April and received up to the 25th of May every year.

## CALCUTTA UNIVERSITY.

## NOTIFICATION No. MISC. R. 24.

It is announced for general information that, under section 25 (1) of the Indian Universities Act, 1904 (VIII of 1904) as amended by the Calcutta University Act, 1921 (VII of 1921), the Government of Bengal, in the Ministry of Education, have sanctioned the following changes in the regulations of the Calcutta University :—

I. The following be substituted in place of what occurs under sub-head *Chemistry* in section 12, chapter XXXV (Intermediate Examination in Science) of the regulations (page 220 of the edition of 1924) :—

"States of aggregation of matter, effect of pressure and temperature on volumes of gases, changes of state, saturation pressure, indestructibility of matter and of energy, chemical and physical changes, enumeration of changes attending chemical reaction, elements and compounds, balance, weights and measures, common laboratory processes—mixture, solution, crystallisation, distillation, evaporation, precipitation, filtration, decantation, desiccation, combination by weight and volume, atoms and molecules, Avogadro's law, simple example of the determination of atomic weights, laws of chemical combination, the atom and atomic theory, general principles of periodic classification, terminology and nomenclature, symbols, formulae, equations, decomposition, dissociation, combustion, oxidation, reduction, calculation of formul from percentage composition, calculations relating to weight and volume, Faraday's laws of electrolysis, electro-chemical equivalents, valency, acids, bases and salts, neutralisation.

*Study of the following* :—Hydrogen, oxygen, catalytic agent, ozone, allotropic modification of elements, water, hydrogen peroxide, nitrogen, air, ammonia, oxides of nitrogen, nitric acid, sulphur, polymorphs of elements, sulphuretted hydrogen, sulphur dioxide, sulphur trioxide, sulphuric acid, carbon, carbon monoxide, carbon dioxide, coal and its chief products, coal gas, marsh gas, ethylene, acetylene, structure of flame, flourine, hydrofluoric acid, chlorine, hydrochloric acid, hypochlorous acid, bleaching powder, chlorates of potassium and calcium, bromine, hydrobromic acid, iodine, hydriodic acid, phosphorus, phosphoretted hydrogen, phosphorus trioxide, phosphorus pentoxide, orthophosphoric acid and orthophosphate, silicon, silica, dialysis, composition of glass, borax, sodium, potassium, calcium, magnesium, zinc, mercury, copper, silver, aluminium, lead, tin, iron—omitting metallurgical details—and their oxides, hydroxides, chlorides, nitrates, sulphates and carbonates.

*Practical Course.*

Fitting up of simple apparatus, e.g., a wash-bottle.

Performance of experiments involving solution, filtration, distillation and crystallisation.

Determination of the water of crystallisation of hydrated salts.

Preparation and study of the principal properties of hydrogen and oxygen.

Performance of experiments illustrating the chemistry of fire, air and water.

Performance of experiments involving oxidation and reduction. Simple blow-pipe analysis.

Determination of the equivalent of zinc and hydrogen.

Preparation and study of the principal properties of sulphur dioxide, nitric acid, nitric oxide, ammonia, carbon, dioxide, hydrochloric acid, chlorine and sulphuretted hydrogen.

Qualitative analysis of simple substances containing not more than one acid and one basic radical included in the following list :—ammonium, sodium, potassium, calcium, magnesium, zinc, mercury, copper, silver, aluminium, lead, tin, iron, and their oxides and hydroxides, chlorides, nitrates, sulphides, sulphates and carbonates.

Use of the chemical balance."

II. The following be substituted in place of what occurs under sub-head *Chemistry Pass Course* in section 10, Chapter XXXVI (Bachelor of Science) of the Regulations (page 238 of the edition of 1924) :—

"In addition to a fuller treatment of the subjects prescribed for the I. A. and I.Sc. course, the following :—

Periodic classification of elements, atomic number, isotopes, kinetic theory of gases, diffusion of gases, liquefaction of gases, laws of mass action, catalysis, osmotic pressure, the theory of solution, colloids, elements of thermo-chemistry, methods of determination of equivalent, atomic and molecular weights, basicity of acids, acidity of bases, allotropy, isomerism, polymerism, compound radicals and homology, velocity of chemical action, chemical equilibrium, theory of electrolytic dissociation.

Preparation of properties of following elements and their chief compounds—Oxygen, hydrogen, nitrogen, argon, fluorine, chlorine, bromine, iodine, sulphur, boron, carbon, silicon, phosphorus, arsenic, lithium, sodium, potassium, ammonium, calcium, strontium, barium, magnesium, zinc, cadmium, mercury, copper, silver, gold, aluminium, manganese, iron, tin, lead, antimony, bismuth, nickel, cobalt, chromium and the following compounds of carbon :—

Methane, ethane, ethylene, acetylene, their simple derivatives, namely, haloid derivatives, aldehydes, ketones, alcohols, monobasic acids, acid chlorides, acid anhydrides,

acid amides, nitrites, ethers, esters, primary, secondary and tertiary amines, glycol, lactic acid, oxalic acid, malonic acid and succinic acid, tartaric acid, glycerol, citric acid, fats soaps and candles; hydrolysis, saponification; dextrose, laevulose, cane sugar, starch, cellulose; cyanogen, hydrocyanic acid, ferro and ferricyanides; coal tar and its distillation; benzene, toluene, xylene, orientation, monochlorobenzene, mono-nitrobenzene, benzene sulphonic acid and phenol, aniline, diazotisation, benzyl chloride, benzal chloride, benzotrichloride, benzyl alcohol, benzaldehyde, benzoic acid, benzoyl chloride salicylic acid.

*Practical*.—Preparation of salts in the pure state. Qualitative analysis of inorganic mixtures containing not more than two radicals from the following list—Silver, lead, mercury, copper, bismuth, cadmium, tin, arsenic, antimony, iron, manganese, aluminium, chromium, zinc, cobalt, nickel, calcium, strontium, barium, magnesium, potassium, sodium, ammonium and their oxides, hydroxides chlorides, bromides, iodides, sulphides, sulphites, sulphates, chromates, carbonates, phosphates, nitrates, nitrites, borates, silicates, cyanides and thiocyanates. Alkalimetry, acidimetry, oxidation and reduction methods of volumetric analysis, gravimetric estimation of copper, silver, iron and sulphuric acid, determination of chemical equivalent. Identification of the following organic compounds given singly—

Methyl alcohol, ethyl alcohol, acetone, chloroform, formic, acetic, oxalic and tartaric acids, glycerol, citric acid, urea, dextrose, canesugar starch, benzene, benzoic acid, aniline, phenol salicylic acid.

*The changes will come in force with effect from the examination to be held in 1930.*

MYMENSINGH, the 27th April 1927.

**NOTICE.**

No. 10252A.—The next session of the Sanitary Inspectors' Training Class will be opened from Monday, the 4th July 1927, at No. 2, Convent Lane, Intally, Calcutta. Applications for admission to the class are invited from qualified candidates. The Matriculation Examination or the B Final Examination is the prescribed minimum qualification for admission, preference being given to those candidates possessing a recognisable engineering qualification or who have passed the Intermediate Science Examination. Admissions will be made on the recommendations of a selection board, which will allot on the basis of the native districts of applicants. The last date for receiving applications is the 24th June 1927.

2. The full course of training consists of two parts, (a) elementary hygiene and (b) sanitary engineering, requiring six months for each part, with a fee of Rs. 30 for each part. The examination fee for each part is Rs. 5.

3. Every application for admission to the class must be addressed to the Director of Public Health, Bengal, Writers' Buildings, Calcutta, and must contain the following particulars:—

- (a) Applicant's name in full.
- (b) Applicant's religion and caste.
- (c) Applicant's age on 1st January 1927.
- (d) Applicant's native district or permanent domicile.
- (e) Applicant's place of education (name of school or college).
- (f) Applicant's educational qualifications.
- (g) Applicant's permanent address with names of nearest police-station, post and telegraph offices.
- (h) Applicant's certificate of moral character.
- (i) Applicant's certificate of physical fitness.
- (j) Applicant's present appointment or employment.
- (k) Applicant's present full postal address.
